

MOTION BY SUPERVISOR ZEV YAROSLAVSKY

May 6, 2014

In January 2014, California State University, Northridge announced the addition of women’s sand volleyball as the 19th intercollegiate sport for their Matadors. In 2010, sand volleyball was identified by the NCAA as an emerging sport, intended to provide additional athletic opportunities to female student athletes. According to the American Volleyball Coaches Association, nearly 500,000 13-25 year-old female participants have taken up the sport since 2007.

On May 31, 2014, CSUN and fundraising partner The Ramon Calderon Foundation (RCF) will be hosting a sand volleyball open tournament at Zuma Beach. Proceeds from the tournament will be used to build a sand volleyball facility on the University’s campus. Ramon Calderon, who suddenly passed away in 2012, was a central figure in creating the current Zuma Beach volleyball community. This tournament will allow CSUN, RCF and the Zuma Beach communities to connect and develop shared interests and goals.

**I, THEREFORE, MOVE** that the Board of Supervisors of the County of Los Angeles waive the gross receipts fee in the amount of \$1,400, and reduce the event permit fee to \$50 and parking fee to \$5 per space.
